A HUGE thank you to all of our current & past sponsors! Because of your help, we have been able to give the kids many gifts as well as memories they will cherish forever. The event also continues to be a great success & helps for expenses at the MN B.A.S.S.. State Tournament. All of the families have a fantastic time and it could not be done without them! Please show your support by using and shopping these fabulous sponsors! If interested in being a sponsor for 2017, please contact us at plhooksetters@gmail.com. All cash donations are used to purchase items for the grab bags & prizes.
Thank you!!!!

Participation Rules

- Maximum of two (2) adults per boat and as many kids as you like.
- **All Minnesota DNR fishing and boating rules apply.**
- Each boat will be allowed to weigh-in ten (10) crappies.
- Each participant is expected to observe the common sense rules of courtesy, safety, sportsmanship, and conservation.
- With the number of children in the tournament, we understand there will be a need to exit the boat (bathroom, food, etc.); however, participants will not be permitted to leave the boat to "catch" or "land" a fish.
- All fish, which appear to have an excellent chance to survive, may be released back into Prior Lake.
- **Please check boats when entering and exiting all lakes and rivers for milfoil, zebra mussels or any other vegetation.**
